Archibald, E J 7 Feb 1915

February 11th, 1915

H. J. Archibald, Eso.,

"The Star",

Montreal.

Dear Sir:

I will try to have an outline of my lecture written out to take with me to Montreal so that you may be able to get a copy of it when I arrive in the morning. I have not yet been able to write anything out, but I will endeavour to secure time to do so.

Yours sincerely,

President.
